## Francis Curro

LANGFORD Aboriginal Association enjoyed a cup of tea and cake while raising money for the Cancer Council through Australia's Biggest Morning Tea.

The morning tea also served as an opportunity for the association to introduce its new manager, Jill Abdullah, to the community.

All guests were asked to donate a gold coin for the fundraiser. Anyone wishing to donate to the Cancer Council through the association can call 9451 1424.

The association is also preparing for a busy next month, with a host of events including the Naidoc Week breakfast on Sunday, July 12.

Anyone who wishes to get involved can also contact the association.
